RE: Chevron Phillips Chemical Company, Specialty Chemicals, SVHC, Intended Release

Dear Customer,

Based on current and available information, the status of substances in specific Specialty Chemical products as relates to Substances of Very High Concern (SVHC) remains unchanged as of the most recent update to SVHC candidate list, 23 January 2024. Each Specialty Chemical product SVHC status is designated in their respective Product Regulatory Overview (PRO) document available via the link below. Please refer to this letter as the most recent date for the review of product status for Substances of Very High Concern (SVHC) as listed on the candidate list published by ECHA. Please find the total list of 240 substances with the inclusion date when they were published by ECHA on the following link: <http://echa.europa.eu/candidate-list-table>.

If you have any further questions, please send your query to REACH@cpchem.com or chemcompliance@cpchem.com
